

# 03-12-20 Supervisor Meeting

Darragh Lally

December 2020

**Time:** 1300

**Location:** MS Teams

**Attendees:** Darragh, Anthony, Michael, Damien

**Introduction** Todays meeting was used mainly to discuss the upcoming 5 minute presentation. We asked for some pointers on what we should focus on. Damien advised us to have screen casts of the application running in its current state and to have a short video on the database.

## **From Us**

- We are having issues adding CSV files to the database.
- We are developing a test document. To standardize the taking of a baseline test.
- We informed Damien of our plan for the presentation. see last paragraph.
- Asked if it was ok to take some time away from the FYP to focus on other projects/assessments.

## **From Damien**

- Has made some acer tablet devices available to us.
- Asked us to map out the full data-set.
- Requested a video of the application running to be sent to Ed.

## **Presentation**

1. Slide 0: Introduction
2. Slide 1: Context and Objectives
