

# 19-11-20 Supervisor Meeting

Darragh Lally

December 2020

**Time:** 1300

**Location:** MS Teams

**Attendees:** Darragh, Anthony, Michael, Damien

**Introduction** We met Damien today and discussed the project and where we are at. This is the first meeting after meeting with the client Ed.

## From Us

- Mike gave an update on the Database side of things.
- Anthony has been working on getting a dot moving on screen
- Darragh trying to debug right eye function
- Spoke with Connaught Rugby and Galway Senior Hurlers physio who said he might be able to run the app on those players for us.

## From Damien

- Asked what our critical decision was in choosing Python over C
- He brought up the presentation at xmas, 5 slides - 5 minutes
