

09-02-21 Supervisor Meeting

Darragh Lally

February 2021

Time: 1500

Location: MS Teams

Attendees: Darragh, Anthony, Michael, Damien

Introduction We discussed the dissertation this week. Damien feels like we are on top of the development work but we need to put more time into the write up. Meeting cut short as Damien had another meeting to attend.

From Us

- Asked if its a good idea to add our setup guides in the dissertation.

From Damien

- Asked about the possibility of a mobile application, as in for a hand held device.
- Asked how we were to determine a pass over a fail.
